Your complete industrial trade partner

A well assorted catalogue – saves your time

We have compiled a large assortment in a catalogue, well adapted for the industrial sector, workshops, shipping companies, etc. By placing all your purchases with us, your administrative costs may be reduced thanks to:

- ◇ fewer delivery bills, invoices and invoice checks
- ◇ reduced reception costs
- ◇ reduced accounting costs
- ◇ reduces warehouse costs
- ◇ reduced freight costs

Quick deliveries – saves your time

We deliver personal protection equipment, fixing elements, machines and supply to functions within workshops, process and shipping industry. Our transport trucks covers the deliveries within Gothenburg 5 days a week.

Fees

In some cases we may add costs for electricity return (any environmental fees for light sources, luminaires, batteries etc), other environmental fees, alloy additions or freight.

The item number within brackets 7235(-0101) is an item, delivered on order from the factory. Freight costs will be added.

Terms of freight

Ex-Works (EXW).

Reservation

The information in the catalogue is reserved for possible changes or discontinued merchandise. We also make reservations for possible printing errors in the catalogue.

Copyright

According to copyright law this catalogue may not be reproduced or copied in any part or any form or by any means.
